

Level ½ Technical Award in the study of Hair and Beauty

Mrs Clelia Pierro

Qualification overview

The VTCT Level 1/2 Technical Award in the Study of Hair and Beauty is aimed at learners aged 14-16 who have an interest in developing a broad understanding of the hairdressing and beauty therapy sector and related industries, including retail, leisure, manufacturing and other personal care services.

- **Business and entrepreneurship in the hair and beauty sector**

This unit will enable learners to develop knowledge and understanding of business principles, types of businesses, marketing and entrepreneurship and different business opportunities within the hair and beauty sector.

- **Anatomy, physiology and cosmetic science**

This unit will enable learners to develop knowledge and understanding of cosmetic chemistry, the role of the integumentary system and the development of hair and beauty products.

- **Design in the hair and beauty sector**

This unit will enable learners to develop knowledge and understanding of the purpose, principles and development of design briefs for the hair and beauty sector, including how to present and communicate design brief ideas and concepts to a range of audiences and I E V E develop analytical, reflective and evaluative skills.

Assessment overview

- **Assessment by examination A written theory exam**, externally set and externally marked by VTCT, will contribute 40% to the overall qualification grade and will be undertaken by learners simultaneously. The assessment by examination will assess the knowledge and understanding from the unit content and provide appropriate stretch and challenge. The assessment by examination must be taken at the end of the learner's programme.

This Year for the YR11 Exam 07-02-24 @9am

- **Synoptic assessment Assignment.** The synoptic assignment brief, externally set, internally marked and externally moderated by VTCT, will contribute 60% to the overall qualification grade. The synoptic assignment brief will be undertaken independently by learners in controlled assessment conditions for 20hr. The non-exam assessment will provide valuable evidence of the of knowledge and understanding by the learners.

This Year for the YR10 start 9-01-24 will end 20 March within the H/B Lesson
