

Task1

Research sports I could do at Prospect.

Rugby
Netball
Table Tennis
Cricket
Handball
Basketball

From the list of sports above pick 2 that you might like to do in Year 7.

Research the sports in order to answer the following questions.

1. What equipment do you need to play this sport?
2. How many players are needed to make a team?
3. Describe 4 rules for the sport.
4. How do you score/win?
5. Name 2 successful players/performers from each sport.
6. What skills are important in the sport?

Present the information to the research questions on a poster.

- Remember posters are colourful, interesting and informative. So try using colour and drawing some pictures to make your posters stand out.
