

Travel and Tourism

BTEC Level 1/Level 2 Tech Award

Course Outline

This course is an introduction to the travel and tourism sector, which is the UK's third largest sector and accounts for almost one in ten jobs!

This course are three components:

1. Travel and Tourism Organisations and Destinations (internally assessed)
2. Customer Needs in Travel and Tourism (internally assessed)
3. Influences on Global Travel and Tourism (externally assessed)

Exam Board

Pearson Edexcel.

Skills Required

Time-management skills are important as this course is mostly coursework with strict deadlines that must be adhered to. You will have the opportunity to develop your communication skills, both written and verbal. Teamworking and presentation skills are also needed, and your skills will improve as you journey through this course.

Entry Requirement

- This should be in line with other Level 2 courses.

Future opportunities

This qualification can be a stepping stone to level 3 qualifications and beyond. There are an enormous number and variety of jobs within the travel and tourism sector, including those in transport, hospitality, visitor attractions as well as the growing world of business travel. Alongside this course will be the opportunity for some sector-related work experience, which could move you swiftly into the world of work.
