#prideinprospect

# WELCOME

Welcome back to Pride in Prospect! It's about time we celebrated all the fantastic things that our students get up to, and we will be sharing this newsletter with you at the end of each half term.

This has, like all others, been an extremely busy half term. Our Year 11 and 13 students completed mock exams on their return in January; whilst it looks likely that they will be sitting public examinations in the summer, this is the first opportunity they have had to practise exam technique, which they all took very seriously. We have planted trees for the Queen's Platinum Jubilee; we already have a fabulous green site and plenty of space to plant the trees donated to us as part of the Queens Green Canopy Project.

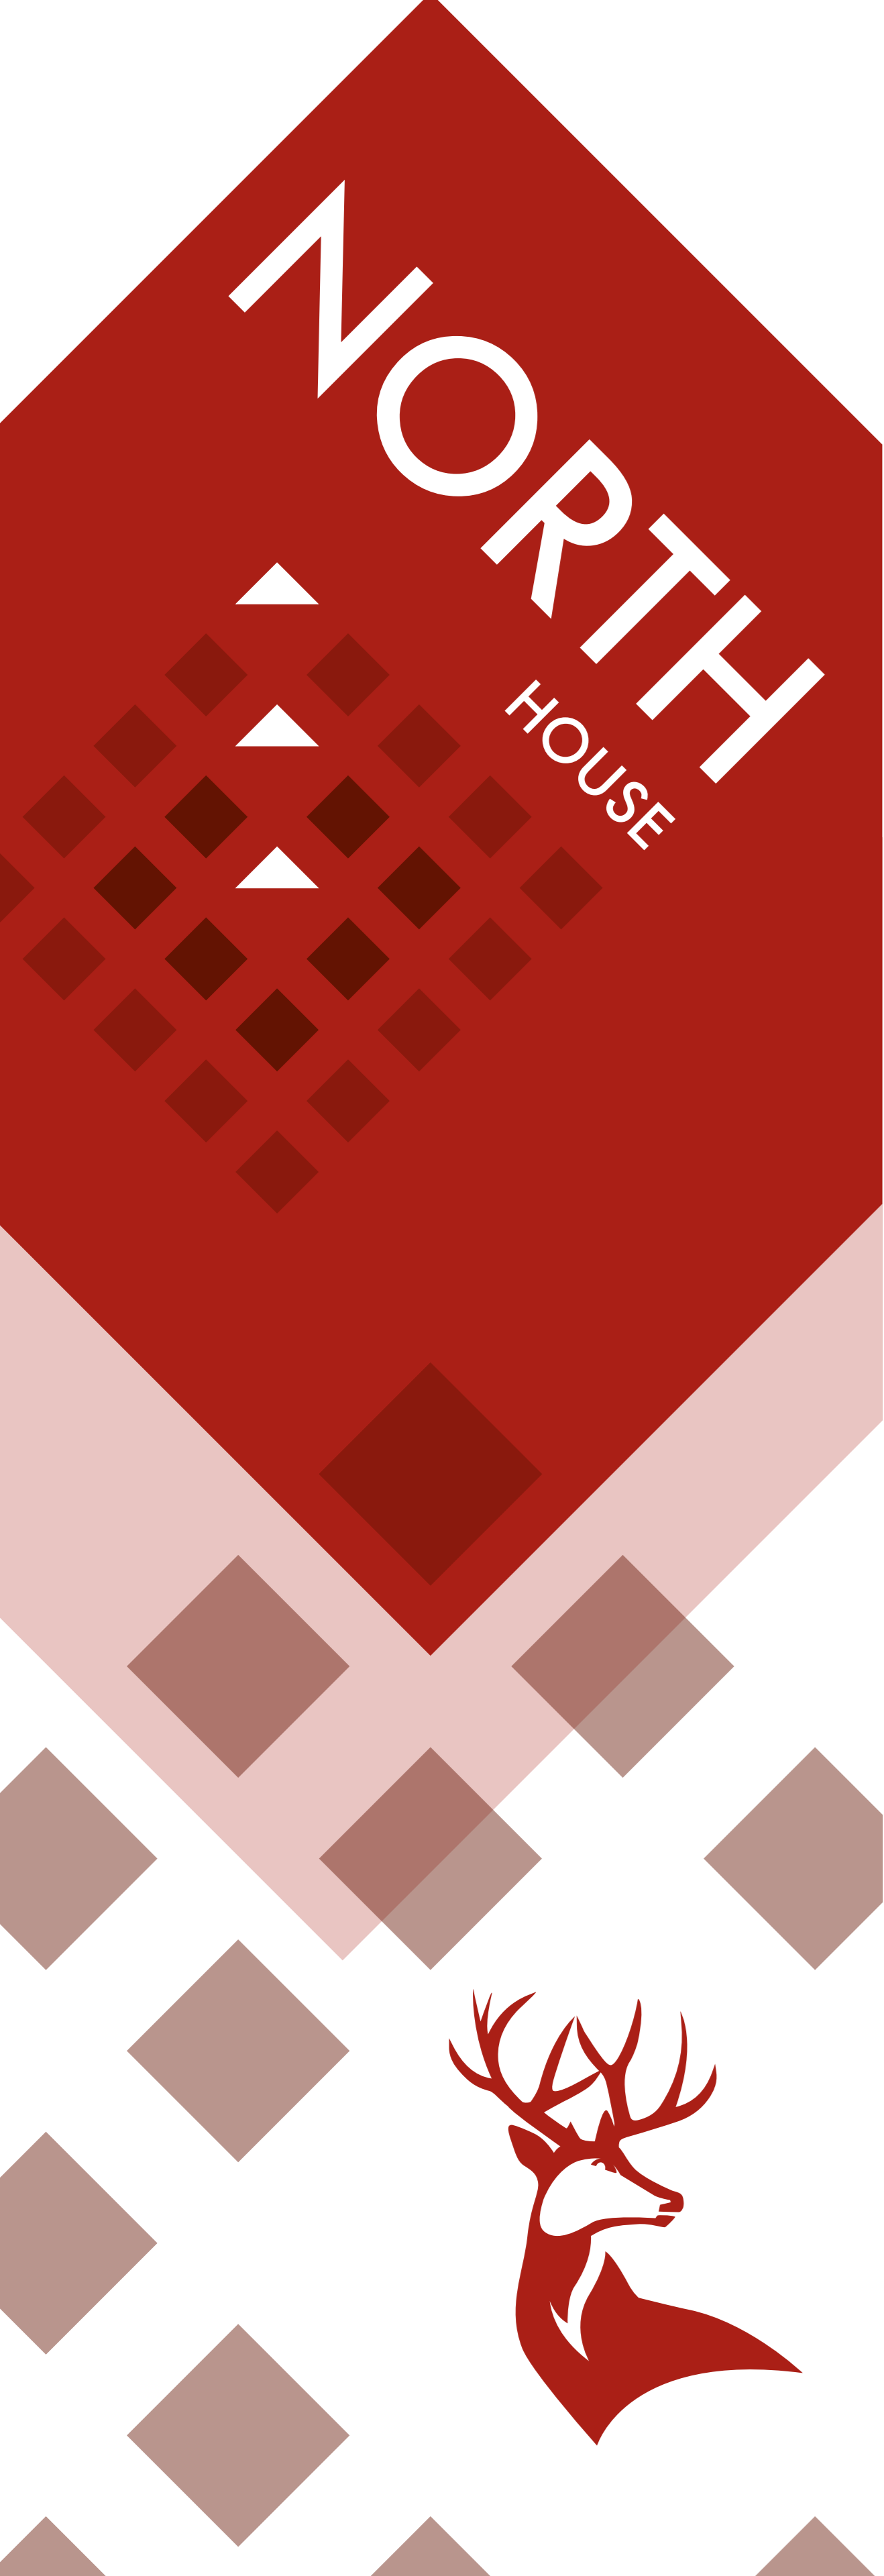

It was quite strange to be watching Charles Dickens' 'A Christmas Carol' in January but our Year 10 English literature students were treated to an excellent performance which will really help with their studies. Our Sixth Form students met with Baroness Scott of Needham Market, as part of the 'Learn with the Lords' programme run by the Houses of Parliament, asking some very challenging questions! We were also visited by Sir Pritpal Singh, former Headteacher of Drayton Manor School, and newly appointed to

the KGA Board of Trustees. I particularly enjoy the opportunity to show off how much progress we have made as a school and the fantastic opportunities for our students here.

Finally, some very good news from our Sixth Form students. Whilst every student who gets a university offer should be extremely proud, there are a couple of students who deserve a special mention. Our Head Girl, Kelsey Moriarty, has been offered a place at St Catherine's College, Oxford, to read history and Mohamad Alkeresh has received offers from Kingston, Middlesex and Bedfordshire to read Cybersecurity. Mohamad is a refugee from the civil war in Syria; in the four years he has been at KAP, he has learned English, passed his GCSEs, joined the Sixth Form and is now ready for university! We are very proud of them both, as well as every other Year 13 student who has been offered university places this year.

So read on and find out what our amazing students have been up to...

**David Littlemore,**  
**Headteacher**

## MISS CLAY-SMITH

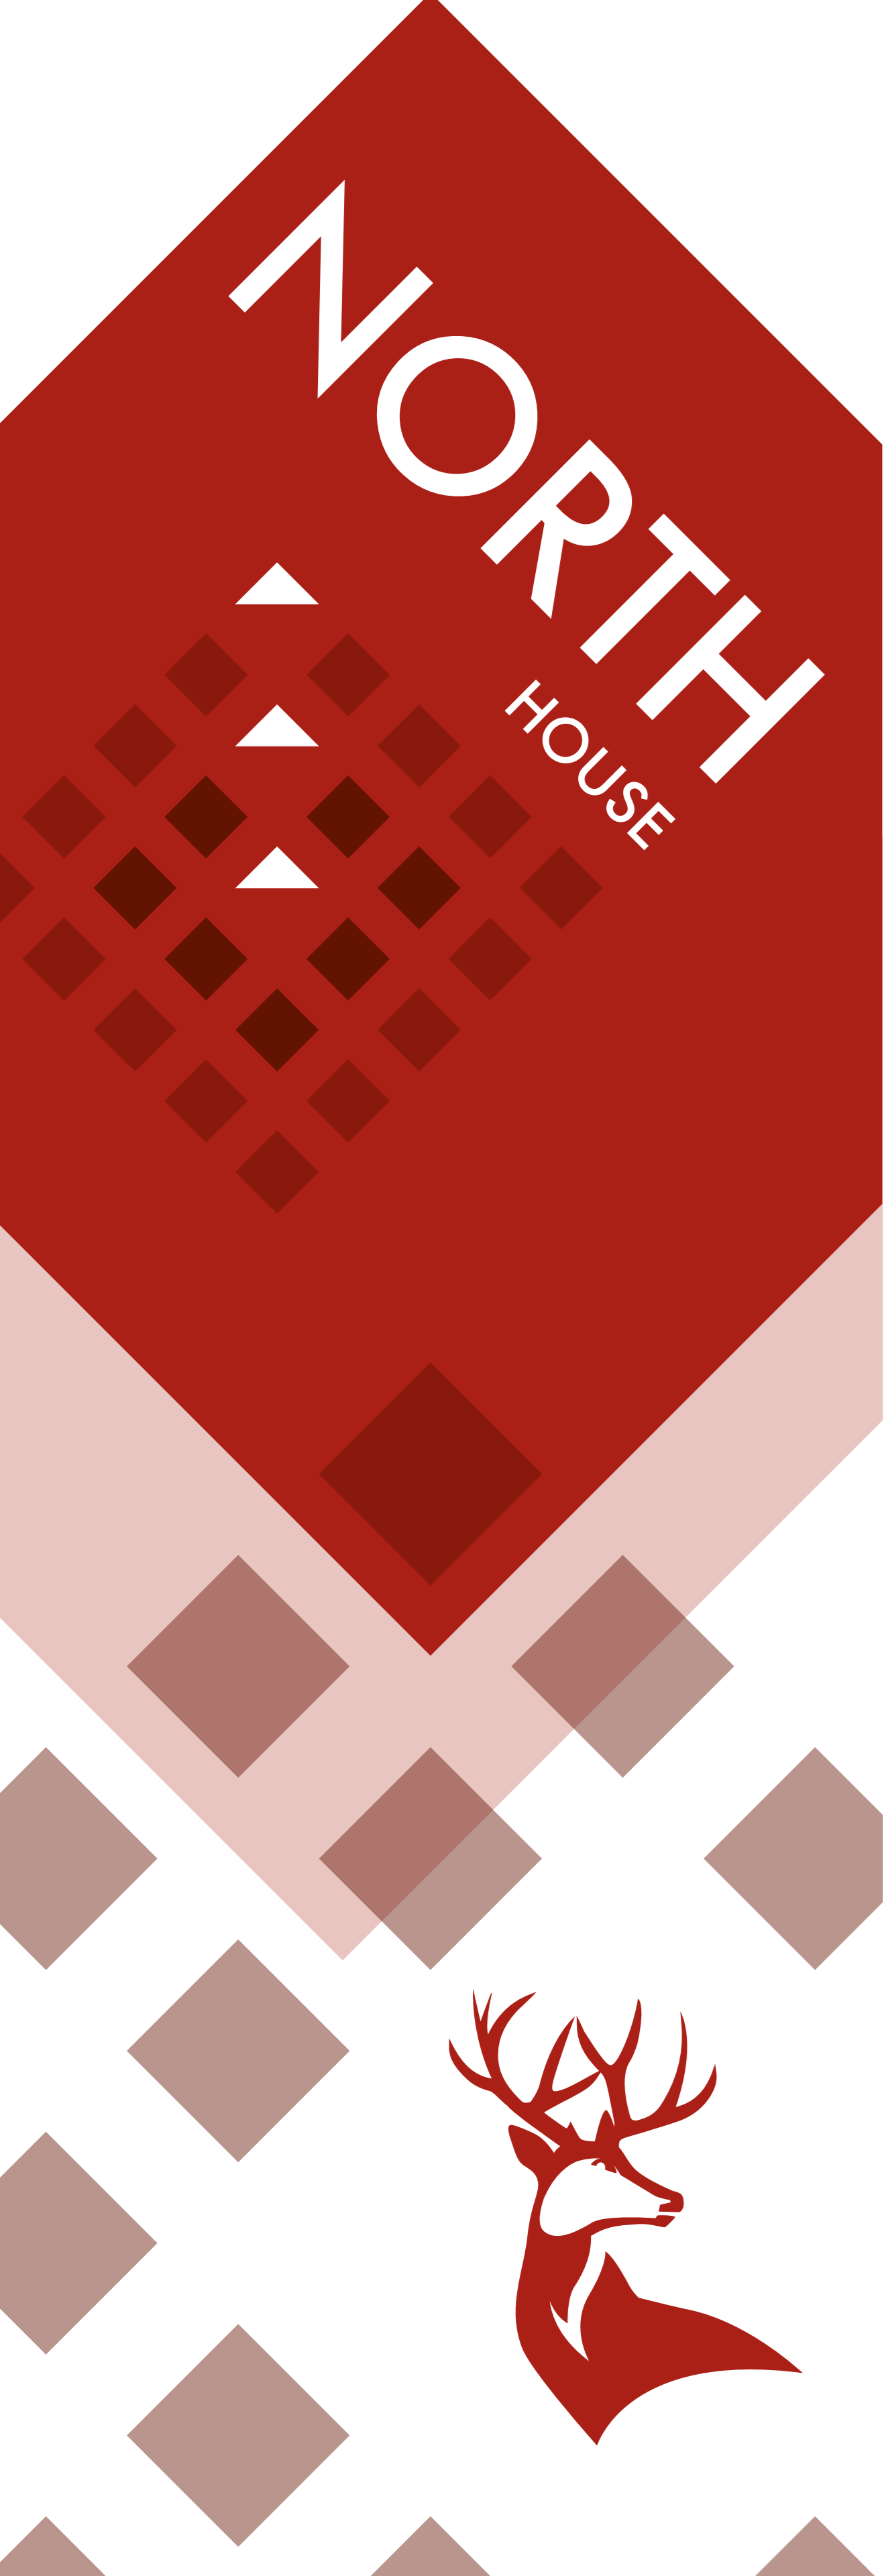

This year North have exceeded my expectations and put their heart and soul into everything they do. I am so proud to be leading such lovely group of strong, independent students. Congratulations on making it through half the year!

### **Student leaders**

This year we have a fantastic group of tutor reps that have come up with ideas of how we can develop and grow the school to create change. We meet twice a term with pastries and treats and discuss issues that have been raised, as well as ideas for fundraising and competitions.

Thank you to: Mukhles, Lincoln, Amara, Finlay B, Henry, Liam, Jamie, Finlay S, Max, Kelsey, Dexter, and Charlie for attending our meetings and for all your ideas and efforts.

### **Berkshire Women's Aid**

North supports Berkshire Women's Aid in our fundraising initiative.

"All women, children and men should be able to live free from the fear and experience of domestic abuse and violence in their homes and relationships." As a charity, they work to help women and children and strive towards empowering women. So far, we have used the Christmas Jumper Day as a fundraising event for our chosen charity and are planning future fundraising events.

### **Door competitions**

This year we have monthly topics that we aim to create awareness about. This ranges from Earth Day, to supporting the NHS, to Remembrance. This gives the students a creative output where they can decorate the doors to their tutor room in a way that represents them and what they feel is important about each topic. This year we have completed competitions around: Black History Month, Winter Festivals, Remembrance, Children's Mental Health, and the current competition is World Book Day.

### **Door competition winners!**

Black History Month: 3rd – 9NA

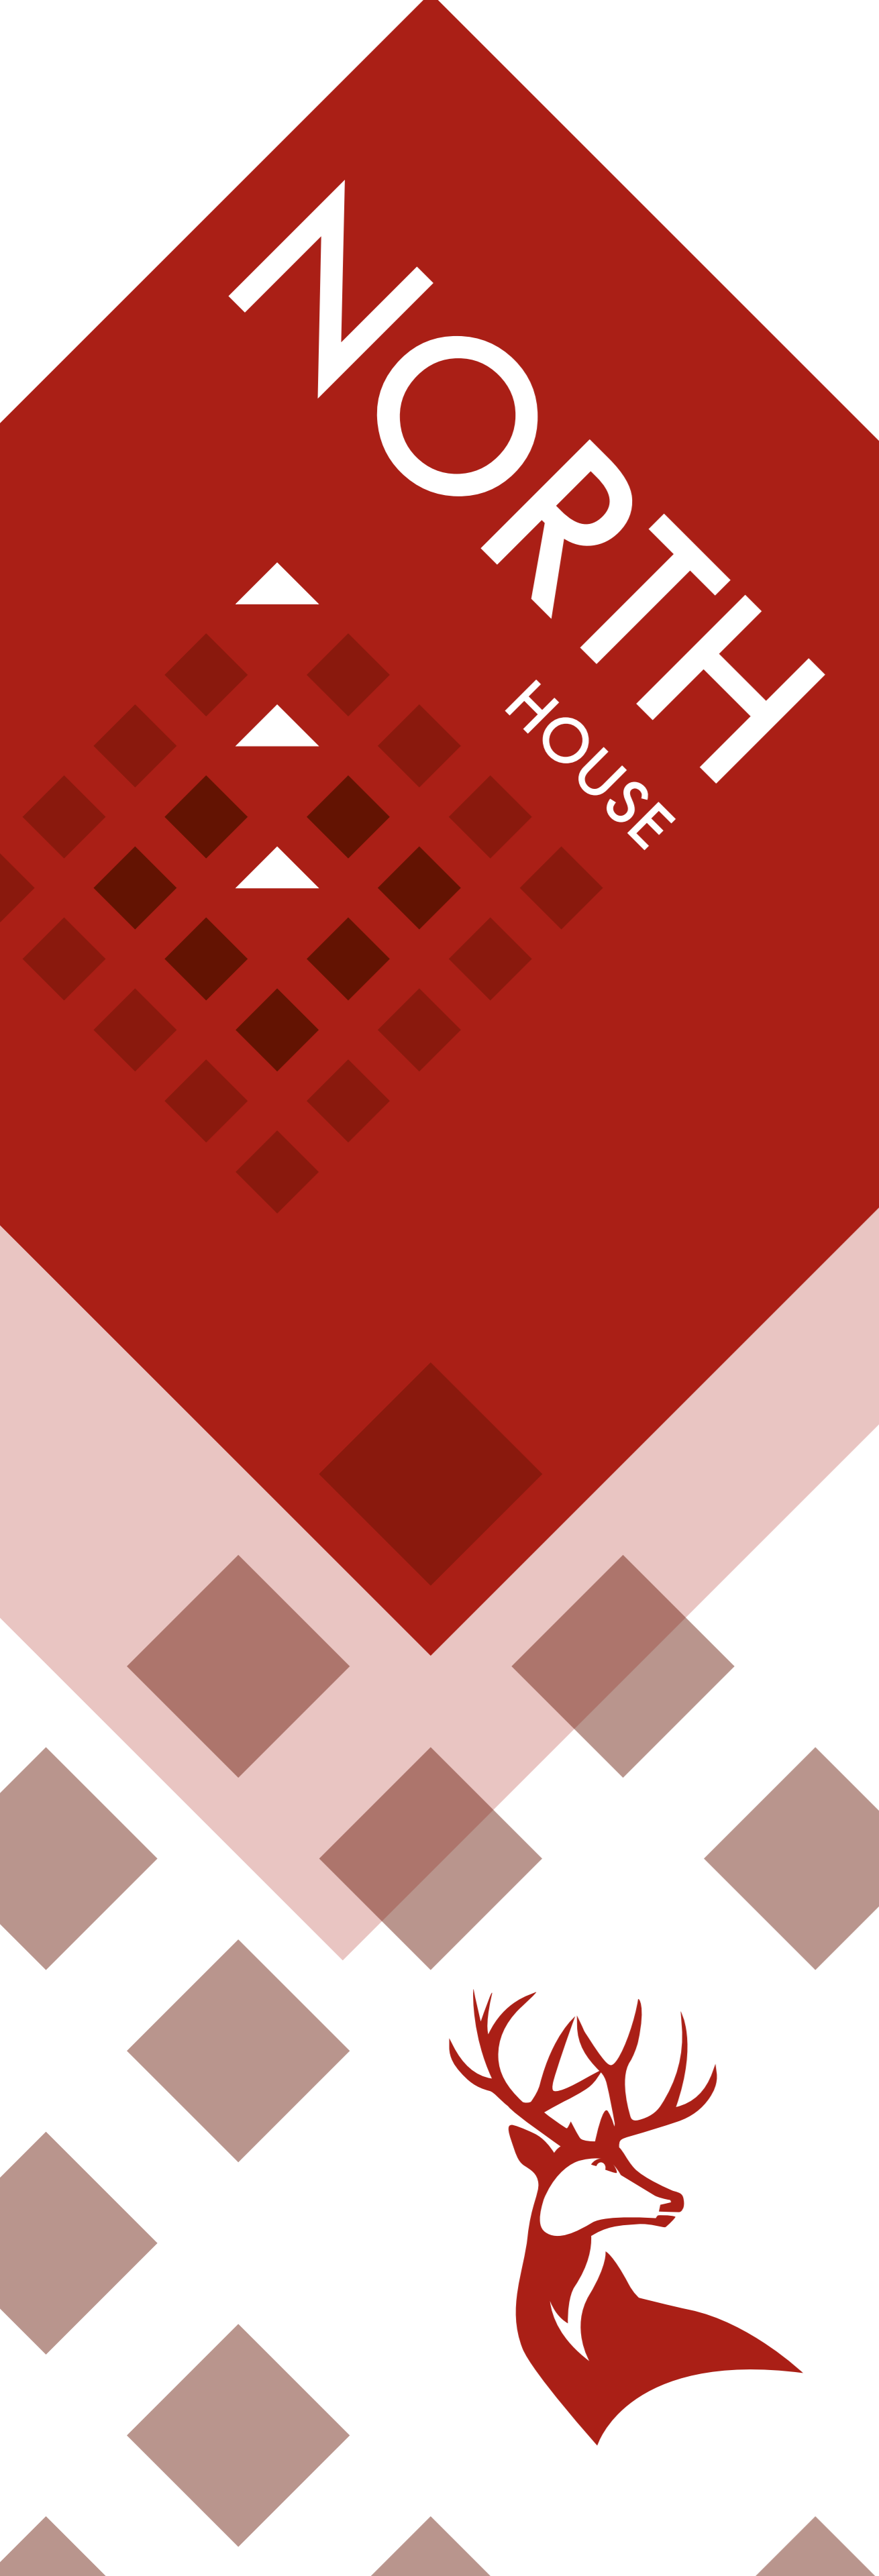

Winter Festivals: 1st – 7NA, 2nd – 9NA, 3rd – 9NB

Remembrance: 1st – 9NA, 3rd – 9NB, 3rd – 7NA

Children's Mental health Awareness: 1st – 7NA, 1st – 9NB, 3rd – 10NB.

### **The Conqueror's Challenge**

As a House, we worked at completing The Land's End to John O'Groats challenge, known as the Conqueror's Challenge. Each house was challenged to collectively travel (by foot) the distance from Land's End to John O'Groats (1083 miles). As a House, we completed the challenge and had 5 trees planted in recognition of the miles walked.

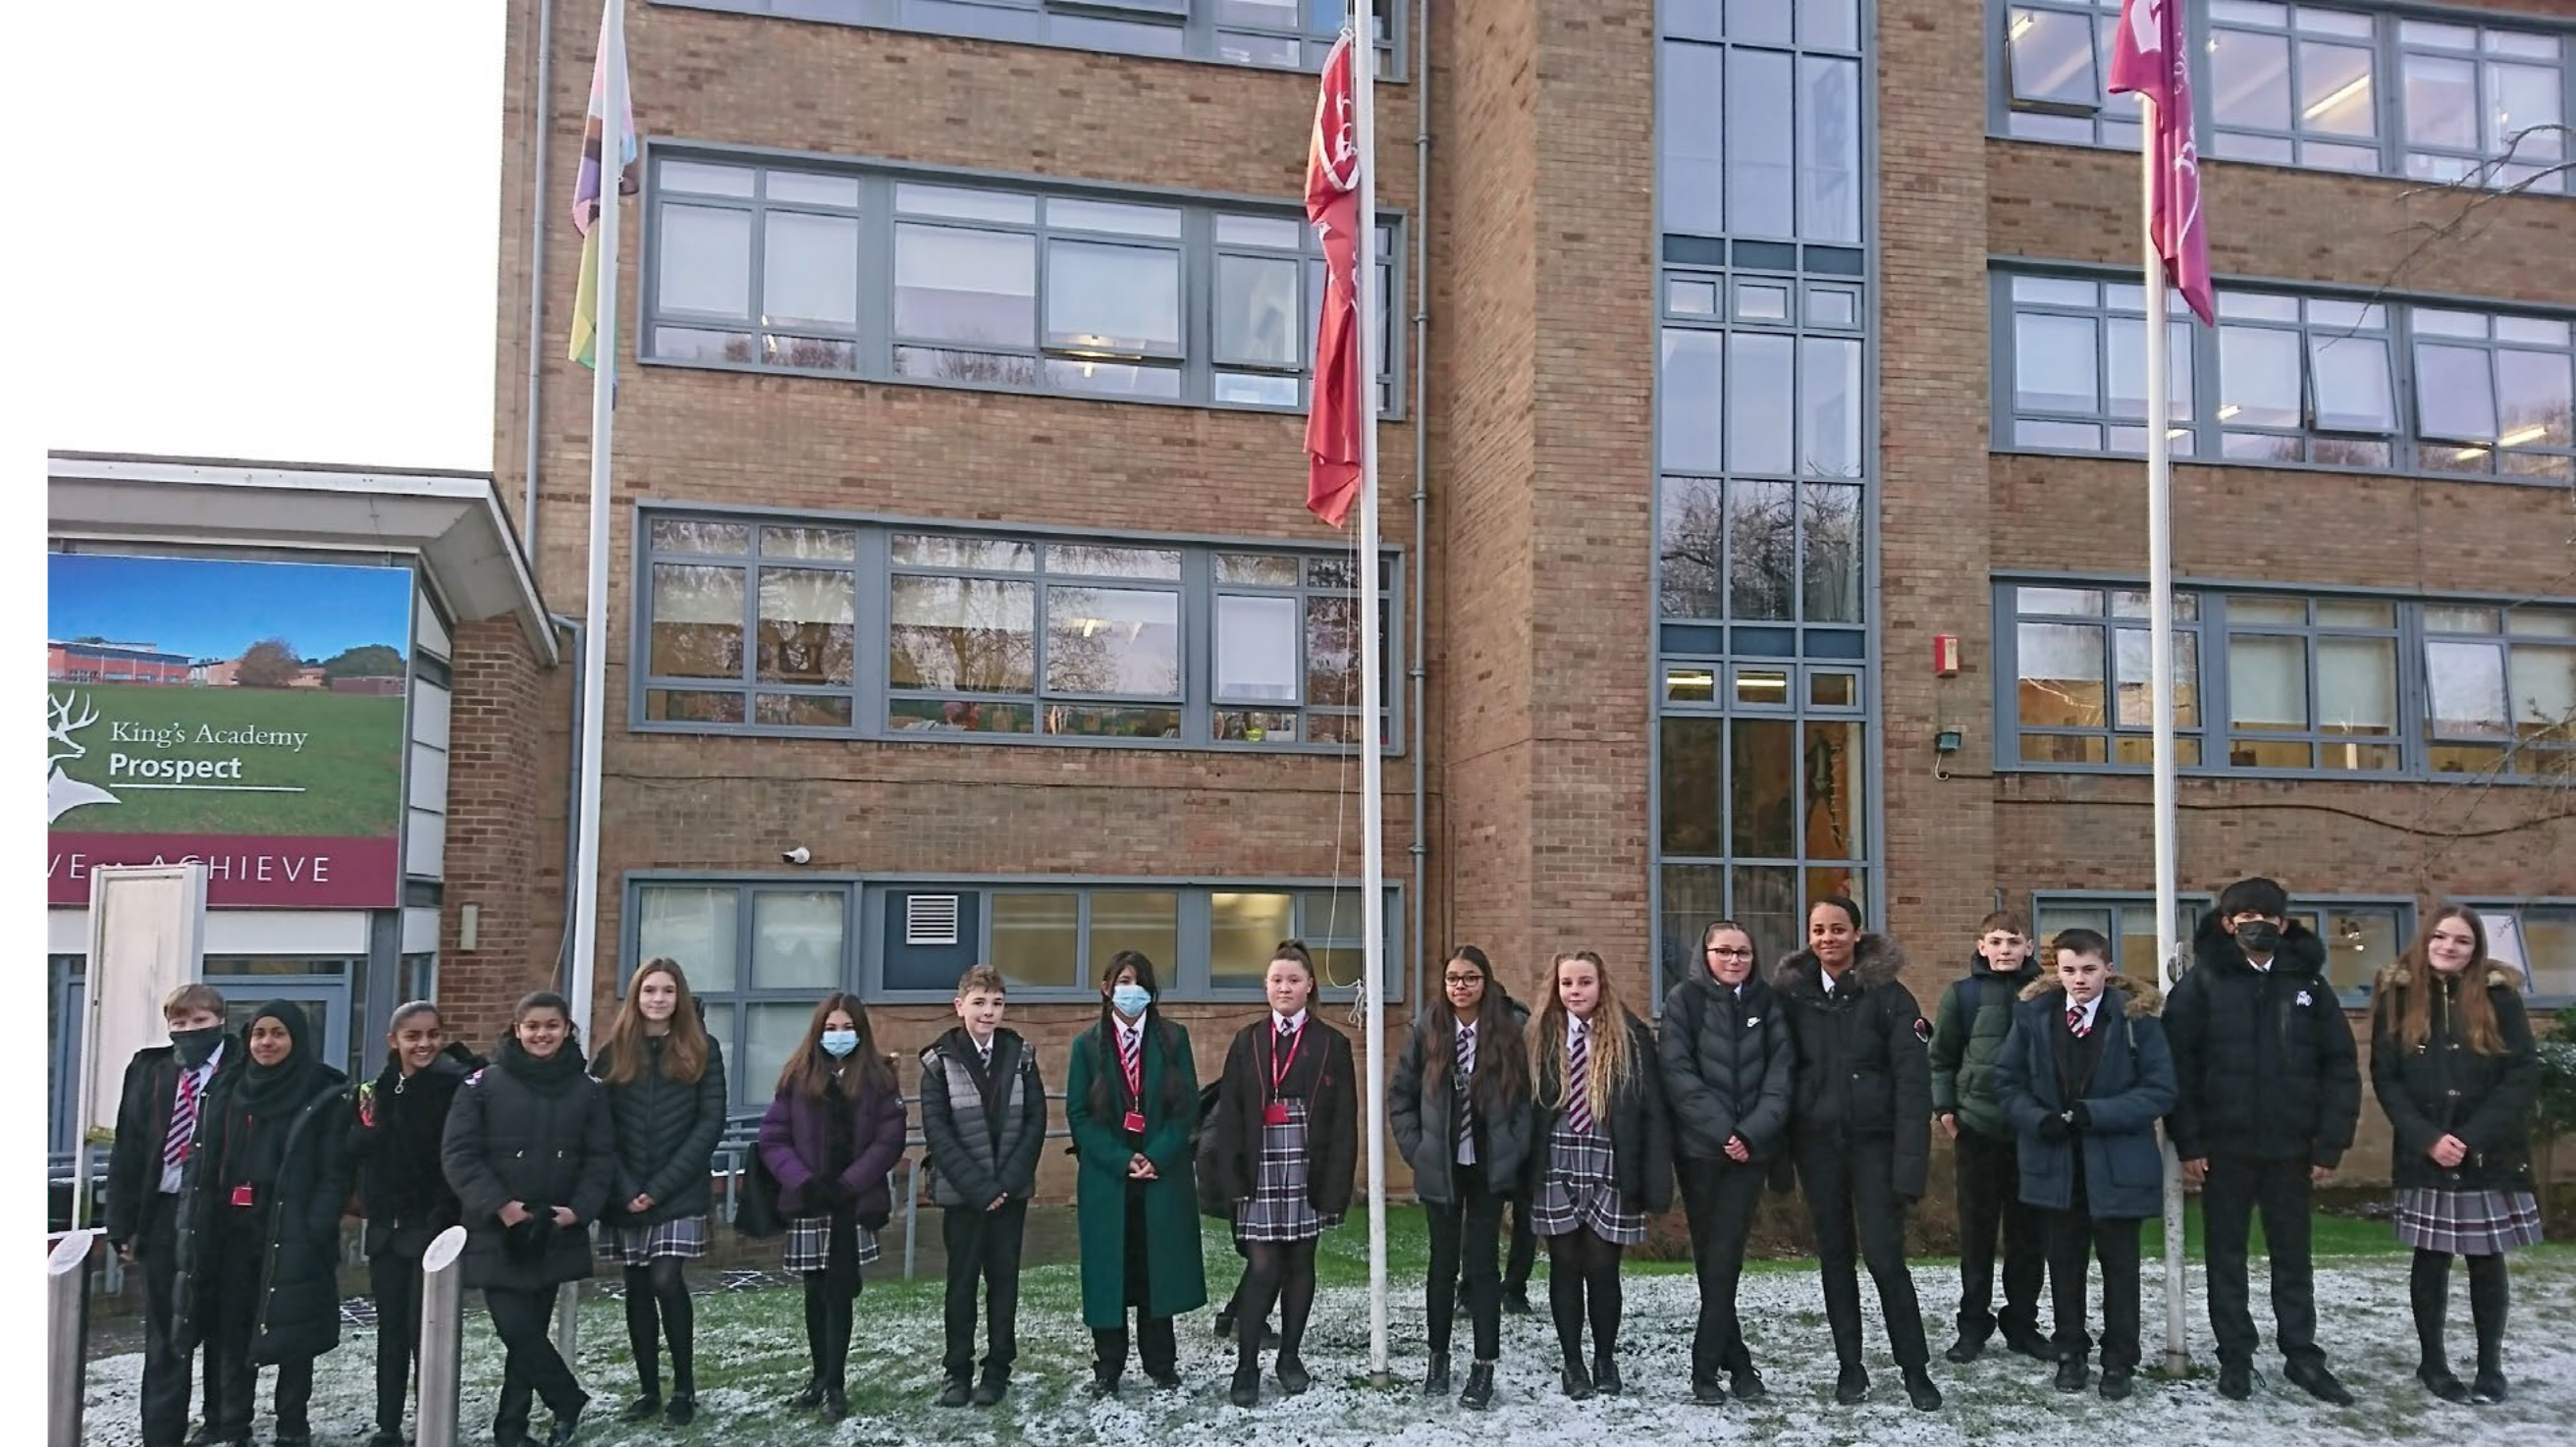

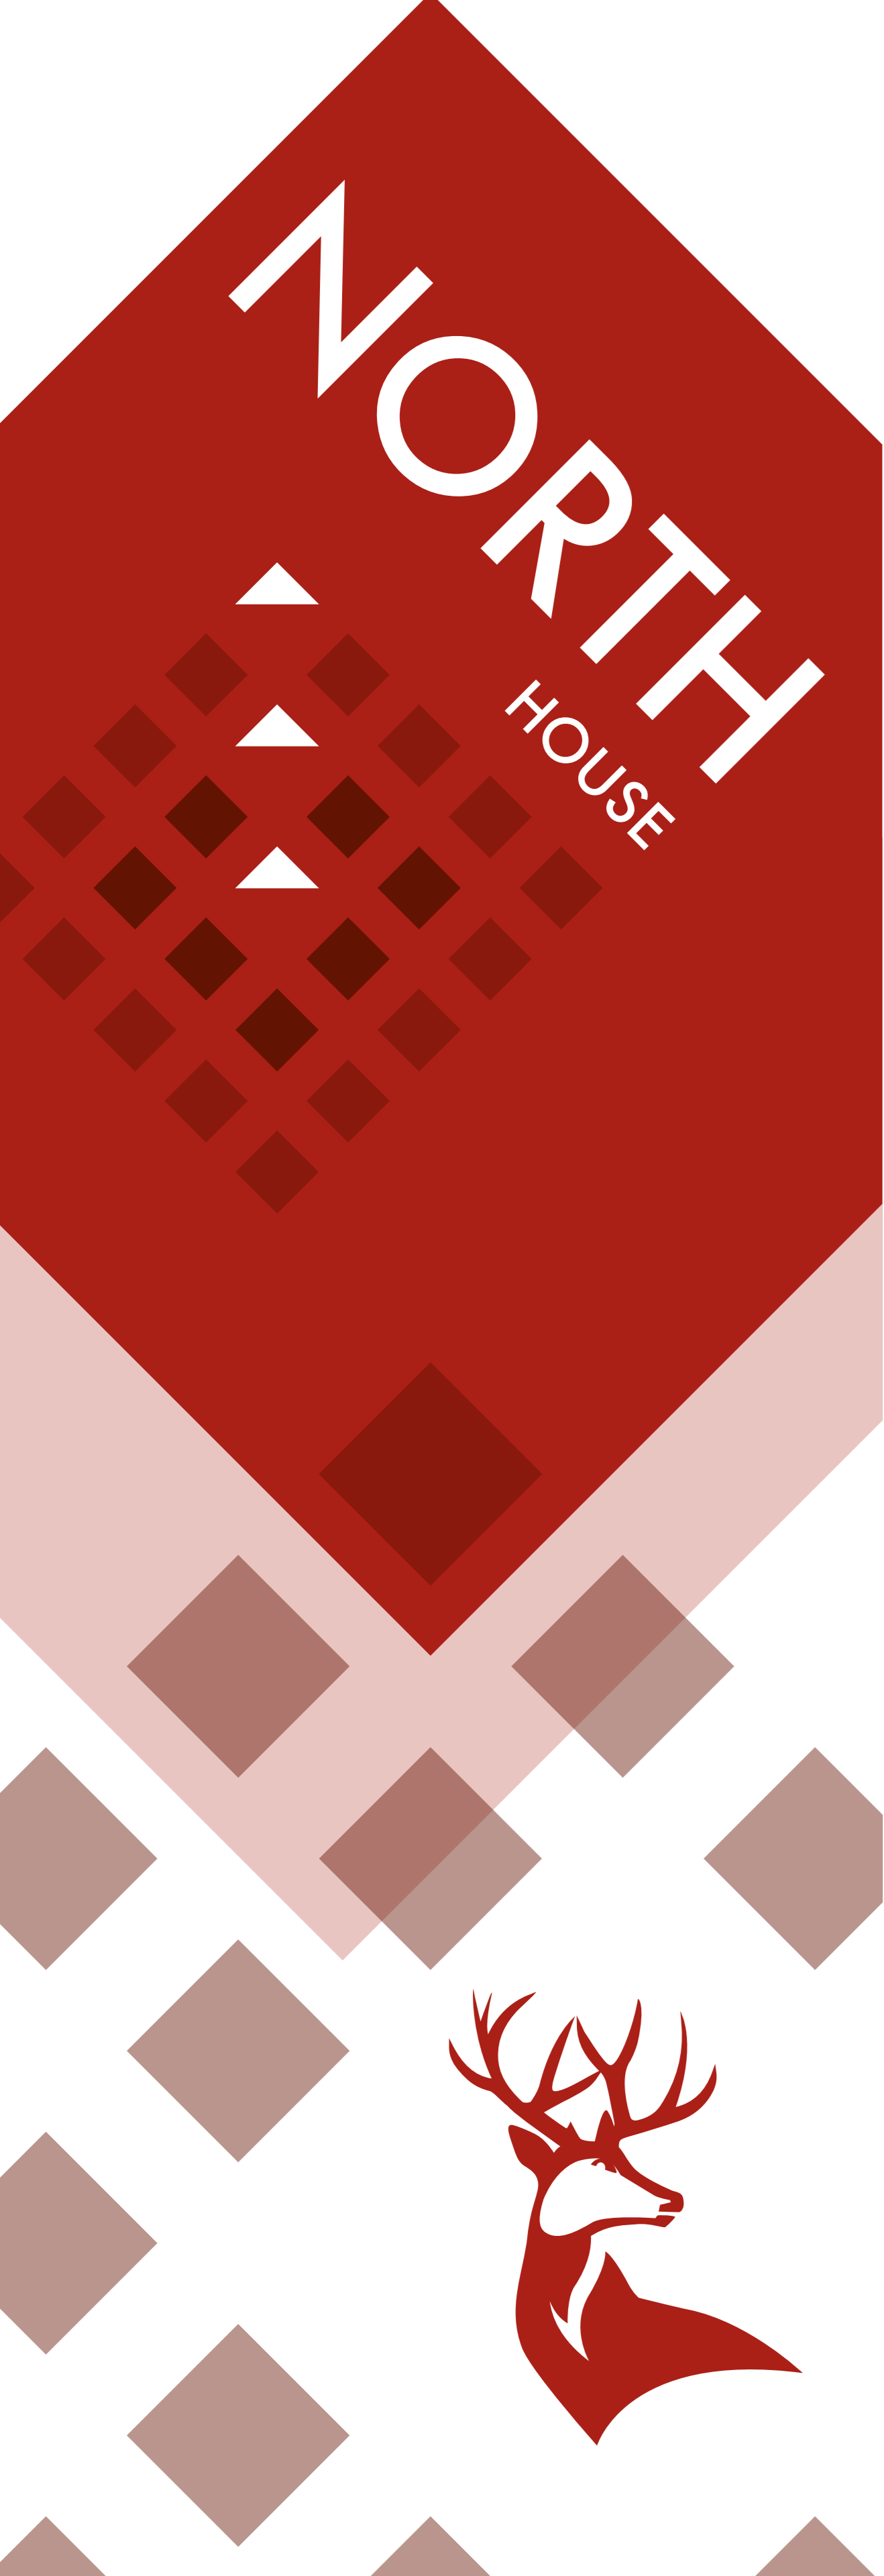

### **No negative point champions:**

Shout out to the following students that did not receive any negative points this year! Megan Burbedge, Mia Kargbo, Marriyah Ahmed, Amina Irfan, Thomas Bramanis, Rea Kamberaj, Freya Pridham, Muhammad Kazim, Kaydence Houldcroft, Rahul Dhaliwal, Shreya Vijay, Zahra Ahmed, Amelia Greenough, Isabella Taylor, Josie Ralph, Amara-Iman Sheikh, Chloe Carylton, Isobel Beckley, Lincoln Winters, Katie Allen, Phoebe Williams, Estera Zych, Mayank Keshil, Ruby Barnard, Zoe Allen, Azat Ates, Gracie Cheer, Amamah Mohammed, Georgia Fairchild, Ashnoy D'Costa, Jayden Fuller, Hashin Bin Talha, and Sabrina Dinu.

### **Shout-out to 10NA from MS Halloran**

A special mention to Reon, Finley, Arpon, Jacob, Miguel, Farhan, and Sophie for going above and beyond in the planning of the World Book Day competition by thinking of a book, reminding themselves about the content by researching and making some notes to bring and use on their door!

### **Shout-out to 8NB from Mr Wurie**

My year 8NB tutor group are a fabulous bunch who are always willing to help when called upon. Rea, Mia, Zahra, Amina, Thomas, Finley, and Fatima are exceptionally helpful. They can be trusted and relied upon. The class is very cooperative and exhibits a willingness to learn.

### **Lastly, a shout out to all my amazing tutor group**

Thank you for all you do for North! We have an amazing team comprising of Miss Prior, Mr Assuon, Mr Farrall, Mr Wurie, Mr Dixon, Ms Halloran, Mr Hayat, Ms Ray, Mr Akroyde, Miss Mahere and Mr Dieu, and it is one phenomenal team to be working with.

**Miss Clay-Smith, House Leader – North**  
[cclay-smith@prospect.reading.sch.uk](mailto:cclay-smith@prospect.reading.sch.uk)

# EAST HOUSE

MR PARRY

Hello East house!

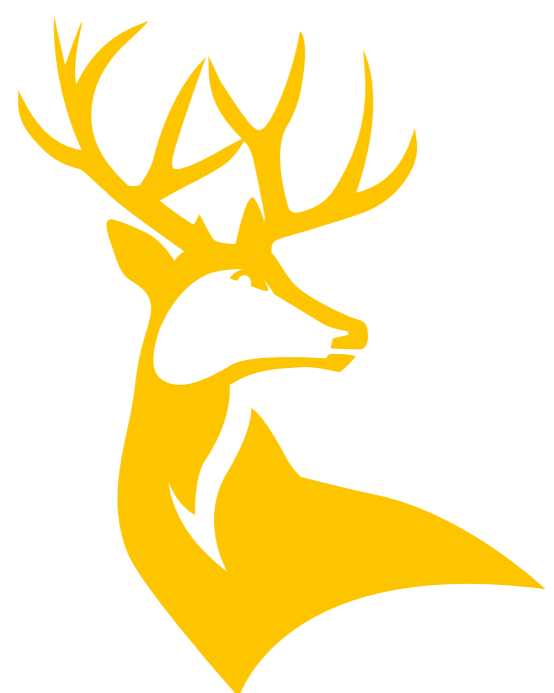

May I just start by saying what a fantastic term we have had so far. We are (at the time of this going to print) still in the lead in terms of house points and have been for most of the time since September. And that is ALL down to you all, so a huge round of applause to you all- well done!

Looking through the points for our house, here are a few bits of information that stood out. Did you know that we as a house are really consistent with collecting positive points such as R1s each month? And since September only 3% of all points awarded were for C1s and 3% awarded for C2s? Did you also know that just under 70 students in East house have not collected a single negative point since the beginning of term way back in September 2021? Most of our points (a whopping and eye watering 91% in fact) are all positive points which is tremendous news! Just as a reminder, it is so important

that you are following the Kings Academy Prospect values everyday- that of being READY, showing RESPECT (to fellow students as well as staff), showing RESILIENCE, adopting RESPONSIBILITY in everything you do and building positive RELATIONSHIPS.

In addition our door design competitions have been a runaway success over the past months, an accomplishment I am so proud of. You have really pushed the boat out in terms of the quality of the displays and it shows. We need to keep this up for our next door-design deadline; the theme of which is World Book Day. The deadline to complete this is the first day back after half term so make sure you get it finished before we leave!

I have also had some very positive and constructive meetings with our fantastic tutor reps from each form and we have discussed a lot of matters that sometimes we don't always get to talk about. This can be anything from

EAST  
HOUSE

the state of the school environment to the smallest details when it comes to being in lessons.

Also remember our house charity, Daisy's Dream, a charity set up to help children with. We have already raised an amount of money for them previously but I am looking for any other ways in which we can raise even more through our tutor rep meetings.

I will no doubt talk to you all again very soon (probably accompanied by a banana again!) and keep you updated but in the meantime please carry on being the **very best** house in school

**Mr Parry, House Leader – East**

[rparry@prospect.reading.sch.uk](mailto:rparry@prospect.reading.sch.uk)

MR PAUDYAL

Dear South!

I would like to take this opportunity to congratulate for the wonderful first half of this academic year. Well done for all your hard work, dedication, and commitment – despite the difficult time we had and are still having.

I am pleased to be able to point out the fact that 90% of all the points awarded to you were positive and only 10% were negatives. I am delighted to see that 5520 postcards and 2505 formal positive letters were issued to south students since the start of this academic year. I do hope that these figures will help and encourage you to stay positive and continue to follow the Prospect values- being READY, showing RESPECT, showing RESILIENCE, acting RESPONSIBLY as well as building positive RELATIONSHIPS within and outside the school environment.

I also would like to congratulate you for your participation and achievement on the house competitions. Your dedications and enthusiasm are seen through your performance in these competitions. I am looking forward to seeing the same (even

more!) amount of effort and commitment towards our upcoming house competition – with the theme of World book Day. Remember – the deadline for this competition is Monday the 28th of February.

I must thank the tutor reps for participating in the tutor reps meeting on regular basis and contributing with your ideas, concern and comments – from the issues that students are facing in general and on a personal level to strategies that school can adapt to tackle the global warming.

I am looking forward to talking to you all in the upcoming house assembly. In the meantime – try your best to collect as many house points as possible by doing the right things.

Remember – as a **SOUTH** student, you are:

**S**uperb, **O**utstanding, **U**nited, **T**hankful, and **H**ard working.

**Mr Paudyal, House Leader – South**

[spaudyal@prospect.reading.sch.uk](mailto:spaudyal@prospect.reading.sch.uk)

# WEST HOUSE

## MR RADNEDGE

Dear West students and families,

It has been an excellent first half of the academic year with so many house points accumulated and house competitions participated in. I was so pleased to be able to take on the West baton from Ms Smith at the beginning of this year and have been amazed by the incredible work and attitudes from everyone in our House. We currently find ourselves in third place in our house competition, nipping the heels of North and East out in front, but I am confident that with a few really positive weeks, we can catch them up. We have made great strides as a house this year and can be proud of the positive progress that we have made.

There are so many positives to celebrate within West house, but I would like to give special recognition to our pupils who have accumulated huge positive house point totals without earning a single negative point since the start of the year. These pupils are: Gustaw Polkowski, Jack Morgan, Megan Lewington, Jade Thorne, Omer Kaymak, Keira-Leigh Lovegrove, Paige Brooker, Oskar Bobko, McKenzie Williams, Stevenya James-Roberts, Olivia Pocock, Mirrium Khatun, Kiera Michael, Zulfa Hemed, Zoe Parks, Kayla Andrews, and Abubakar Muhammad. I would also like to congratulate our top 5 house point achievers so far this year who have all gained over 450 positive points each! These pupils are: Joe

Downey, Zoe Parks, Megan Lewington, Ally Hemed, and Angelica Allaway. And finally at the end of the Autumn term, I was able to present my first Head of House award to Angelica Allaway in year 9 for her fantastic work and behaviour during terms 1 and 2. I am looking forward to presenting more awards over the coming terms to reward pupils who demonstrate the culture and character expected at King's Academy Prospect.

At the start of the year, our tutor reps and I decided upon our house charity for this year. We were delighted to choose Launchpad as our chosen charity and look forward to continuing to raise money for such an incredible organisation. Launchpad is a

WEST  
HOUSE

## MR RADNEDGE

charity in Reading who help people that have found themselves without a home. They provide support, accommodation, and after-care, ensuring that people in need have the best chance of being able to call a place their own. We have already raised money from our Christmas jumper day and are looking to hold more charity events in the coming terms to be able to aid their fantastic project. You can find out more about Launchpad at [www.launchpad.co.uk](http://www.launchpad.co.uk), or follow their amazing work on Facebook, Twitter (@Launchpad\_RDG), or Instagram (@launchpadreading).

I hope you all have a restful half-term and come back recharged and ready to close the gap on North and East.

**Mr Radnedge, House Leader – West**  
[bradnedge@prospect.reading.sch.uk](mailto:bradnedge@prospect.reading.sch.uk)

# MENTAL HEALTH COMMITTEE UPDATE

Kelsey M, Year 13

The Mental Health Committee have been very busy lately! With Children's Mental Health Week taking place just last week, the door competition, and the beginning of our student mentor programme, our members have been coming up with new and exciting ways to engage with the rest of the student population.

You may have seen our assembly recently, based on the theme 'growing together'. To mark Children's Mental Health Week, our members came together to talk about topics such as mental ill health, healthy habits, and accessing help when it's needed. We also spoke about Kooth, which is an invaluable resource for students. Kooth is a wellbeing website where you can journal, publish articles, or chat with the Kooth team.

One of our members has published articles on the website, and we have found it to be a great way of looking after your mental health. In the coming weeks, you may see posters relating to things we spoke about in the assembly, particularly Kooth, pop up around the school.

Another thing you might have seen around the school recently is the mental health door competition. Talking about mental health in schools is very important to us, and the engagement seen across year groups resulted in some beautiful and thought-provoking doors. We hope it sparked some conversations about mental health, and encouraged students to be more proactive in looking after their mental health

In recent meetings, we've joined forces with the Anti-Bullying Committee to plan the launch of an anti-bullying/ wellbeing survey. We're eager to listen to student experiences and would encourage you to fill it out when it comes to you. It'll shape our work in the coming terms and ensure the committee's work is relevant and useful to you.

**There are lots of ways to get involved with our work – we meet every Thursday and hold regular mentoring sessions.**

Whether you're interested in becoming a wellbeing ambassador or in taking part in mentoring sessions with a trained student, please contact Miss McCabe or Mr Birk.

# ANTI-BULLYING AMBASSADORS

Mr Lyddon

**This term has seen the re-introduction of the anti-bullying group. We have a number of students from each year group that have signed up to be the school anti-bullying ambassadors. This is fantastic and most welcome!**

We will be meeting on a fortnightly basis to develop strategies and devise plans that can be put in place to support students and enhance the current school policies already in place.

As a school we have joined the Anti-Bullying Alliance which will offer us support and guidance to help us tackle any potential situations that may arise.

Their main aims are:

- To raise the profile of bullying and the effect it has on the lives of children and young people.
- To create a climate in which everyone agrees that bullying is unacceptable.
- To make sure that teachers, youth practitioners, parents, carers, children and young people have the skills and knowledge to address bullying effectively.

We will be asking students to participate in a questionnaire next term that will help us to understand how you all feel about bullying and what we can do to support you. This is a very important role within the school and one that can and will make a real difference.

Remember, everyone has the right to feel safe and happy in school. We will work hard to ensure that this is the case.

# STUDENT LEADERSHIP LEARNING CONSULTANTS

Our incredible team of learning consultants have been reflecting on the teaching and learning experience offered through King's Academy Prospect.

This week, the group have explored the key strategies and techniques that bring the very best out of them in terms of student engagement and participation.

Our mission statement is to consider the varying aspects of the school's lesson framework and how it fosters insightful, independent learners.

Next term, we will be focusing upon retrieval practice and the use of high quality recall tasks to monitor progress.

Well done consultants, we are extremely proud of you!

**Mr Farrall**

# SPORTS LEADERS

We are looking forward to working alongside the selected sports leaders from each year group. These pupils have been selected due to their commitment,

effort and dedication to school sport. We aim to provide a wide range of opportunities to develop sport within the Kings Academy Prospect community.

Each team will be identifying a specific project that they wish to complete during the remaining terms to develop their leadership and personal skillset.

<b>NORTH</b>	Freddie Abbott Gracie Cheer	Kayden Heholt Rea Kamberaj	Henry Strong Ruby Barnard	Finlay Stratford Brooke Stubbs
<b>SOUTH</b>	Kaiden Bambrick Josie Thorne	Ryan De Barros Ezriann Solomon	Isacc Stagg Eden Herring	Leo Trimbey Ela Erceri

LGBT+

We meet Week 1 Mondays during tutor in the Kennet meeting room.

All are welcome including allies as well as members of the community.

We are discussing ways to ensure that Prospect is a safe space for all different types of people to be visible and **#ProspectProud**.

Ms Ray

#prideinprospect

# Year 7 UPDATE

**Well, we have made it to the end of another term! And a well-earned rest for all of us!**

As we have reached the end of term, it is a chance to celebrate the successes that some of you have achieved. It is fantastic that so many of you have worked so fantastically since you joined our school, and that you continue to display the high standards expected here at King Academy Prospect.

It is pleasing to see that so many of you are still on 100% positive points. With a specific mention to the following 5 pupils who have received the most house points since the beginning of the year:

1. Romy Stockdale
2. Lincoln Winters
3. Xanth Syangbo
4. Zoe Parks
5. Jayden Graham

In terms of extra curricular clubs it is lovely to see that so many of you are taking the opportunities, however I would like to see more Year 7 pupils participating in the wide range of options available to you. Remember, by taking part in these clubs, it not only allows

you to try something new but also builds your interpersonal skills.

I wish you a very relaxing and enjoyable break, I hope you manage to spend time with your friends and family and generally have fun!

I look forward to seeing you all back after half term on the 28th February, full of energy and excited to be back!

**Miss Blake, Head of Progress Year 7**

# Year 8 UPDATE

**We have finally made it till the end of the Spring Half Term and I am very proud of what you have achieved.**

There is so much evidence of examples of kindness and resilience across the year group.

Thank you to all the tutors who have played a significant role in ensuring that you are having the best educational experience at KGA Prospect.

Well done to all of you for the hard work that has been put into the door displays for the House competitions. There have been some amazing entries and long let this continue.

**Mr Priddey, on behalf of Mrs Gerrard,  
Head of Progress – Year 8**

# Year 9 UPDATE

**We have made it to another end of term and hopefully the weather will start to be a little kinder! It certainly seems that it has been a challenge for us all, but hopefully lighter mornings and longer, sunnier days will bring renewed energy to us all!**

This term has seen a lot happen for Year 9. We are now halfway through the academic year and fully into the swing of things. You have all started to really think about the future and what it holds for you and have recently begun the process of looking at and deciding your GCSE options for next year. This is a really important decision and one that should not be taken lightly. Make sure that you have thoroughly researched each option you are

thinking of taking so that the choices you make will be the best for you and your future. It will be great to see you all embarking on the next step in your school journey and really beginning to connect with the subjects which you have chosen. The choices available to you are a real testament to the diversity of the school, so choose wisely!

I have really enjoyed seeing the different tutor room doors which have been so brilliantly decorated for the house competitions! It is great to see the amount of hard work and pride you have all taken with them and I hope that this continues throughout the year. Remember - your efforts can really influence the weekly house competitions!

This year has also seen the return of many extra-curricular clubs and for many of you this has been a chance to participate in something that has been missing for the last few years. Football matches have been played by both the boys' and girls' teams, and rugby has also continued to be a popular choice. I hope that you continue to make use of the opportunities given to you and that we can look to develop other school teams in the future.

As the school looks to develop alternative extra-curricular activities, I hope that you can find something that will allow you to develop another string to your bow that you can use to develop your core skills and potential employability in the future.

# Year 9

## CONTINUED

This year has also seen the return of the coveted Duke Of Edinburgh Scheme for Year 9 and I am really pleased to see so many of you willing to sign up to and begin to plan your awards schemes. I wish you lots of success in this – it is a fantastic opportunity!

High standards continued to be displayed by many of you across the curriculum and it is fantastic that this term, over a third of the year group and not received a single negative behaviour point, and as many of you have also achieved 100% attendance! This is a fantastic achievement, but one we must work to improve next term!!

Finally, I would like to say that I am really proud of the efforts that you are putting in as a year group. It is a pleasure to work with you on a

daily basis. Keep up the good work - be the best that you can be!

Did you know..... approximately 50 million roses are received on Valentine's Day around the world.

**Mr Lyddon, Head of Progress Year 9**

# Year 10 UPDATE

Dear Prospect families,

It is now the third term since I have been Head of Progress for Year 10. I am extremely proud of Year 10 and all that they are achieving and striving to achieve over the ensuing months. They have amassed 2058 Reward points this term. 10NA are in the lead with 1,398 points followed closely by 10 WA with 1,239. We have also been working hard to ensure all students attend every day, with high aspirations to do and be the very best they can be. All students have been receiving invaluable 1:1 sessions about future goals and careers advice from Mrs Gallivan and have taken part in a mentoring program.

Year 10 attendance is very good indeed, knowing that only if they are here, can they

learn and help themselves to fulfil their future life goals. North House Tutor groups are doing very well with 95% and 94 % with 10 EB also achieving 94%. Well done, this is fantastic!

There are also some students who have volunteered to do some very important work as Anti-bullying ambassadors, promoting kindness and tolerance for all. I am also pleased to see that our Mental Health ambassadors have been hard at work, producing an excellent assembly for all year groups. We all know how incredibly challenging the last 2 years have been and they are supporting younger students, as their mentors who may be struggling to overcome anxieties or other mental health issues.

I must say these two areas are of paramount importance and we will always endeavour to support any student who is in need of it, to lend an ear, to offer some advice and to help build resilience and strength.

As a Year group they have gained 21,961 reward points throughout the year which is brilliant!

21,961  
REWARD POINTS

# Year 10 CONTINUED

**I would like to commend the following students who have not received any negative points:**

Stevenya James-Roberts  
Muhammad Kazim  
Mirrium Khatun  
Saina Lama  
Katie McKenzie  
Keith Mansaray  
Rummanah Mazkurah  
Maurisior Mfugale  
Rahul Dhaliwal  
Qasim Ejaz  
Georgia Fairchild  
Kai Furnivall  
Muhammad Haider Ali  
Zaynab Ahmed

Humaira Ayub  
Amelia Day

**With over 200 points this term are 3 students of whom I am extremely proud.**

Ashlee Turner – 205 reward points  
Jack Morgan – 215 reward points  
And with the highest in the year group this term, Katie Lannon with 251 reward points.

Huge congratulations to you all!

I wish Year 10 families and students a fabulous half-term break and I look forward to seeing you all again, refreshed and ready to head into spring.

**Miss Smith, Head of Progress Year 10**

# Year 11 UPDATE

**Year 11 are now moving into the final stages of their GCSEs and this can be a very stressful and worrying time.**

However, I would like to say a big well done for their commitment and focus in school and hope this continues for the limited time they have left until exams.

There have been some outstanding performances in the recent English speaking exams with a number of distinctions. Congratulations to Owen Harding and Molly Blake who have the highest amount of reward points and zero negative points which reflects the positive attitude of the year group as a whole.

The Y11 basketball team also performed very well with a big victory over The Wren, outstanding performers were Ajmal Safi and Immanuel Brown of Y10.

**Mr Gerrard, Head of Progress Year 11**

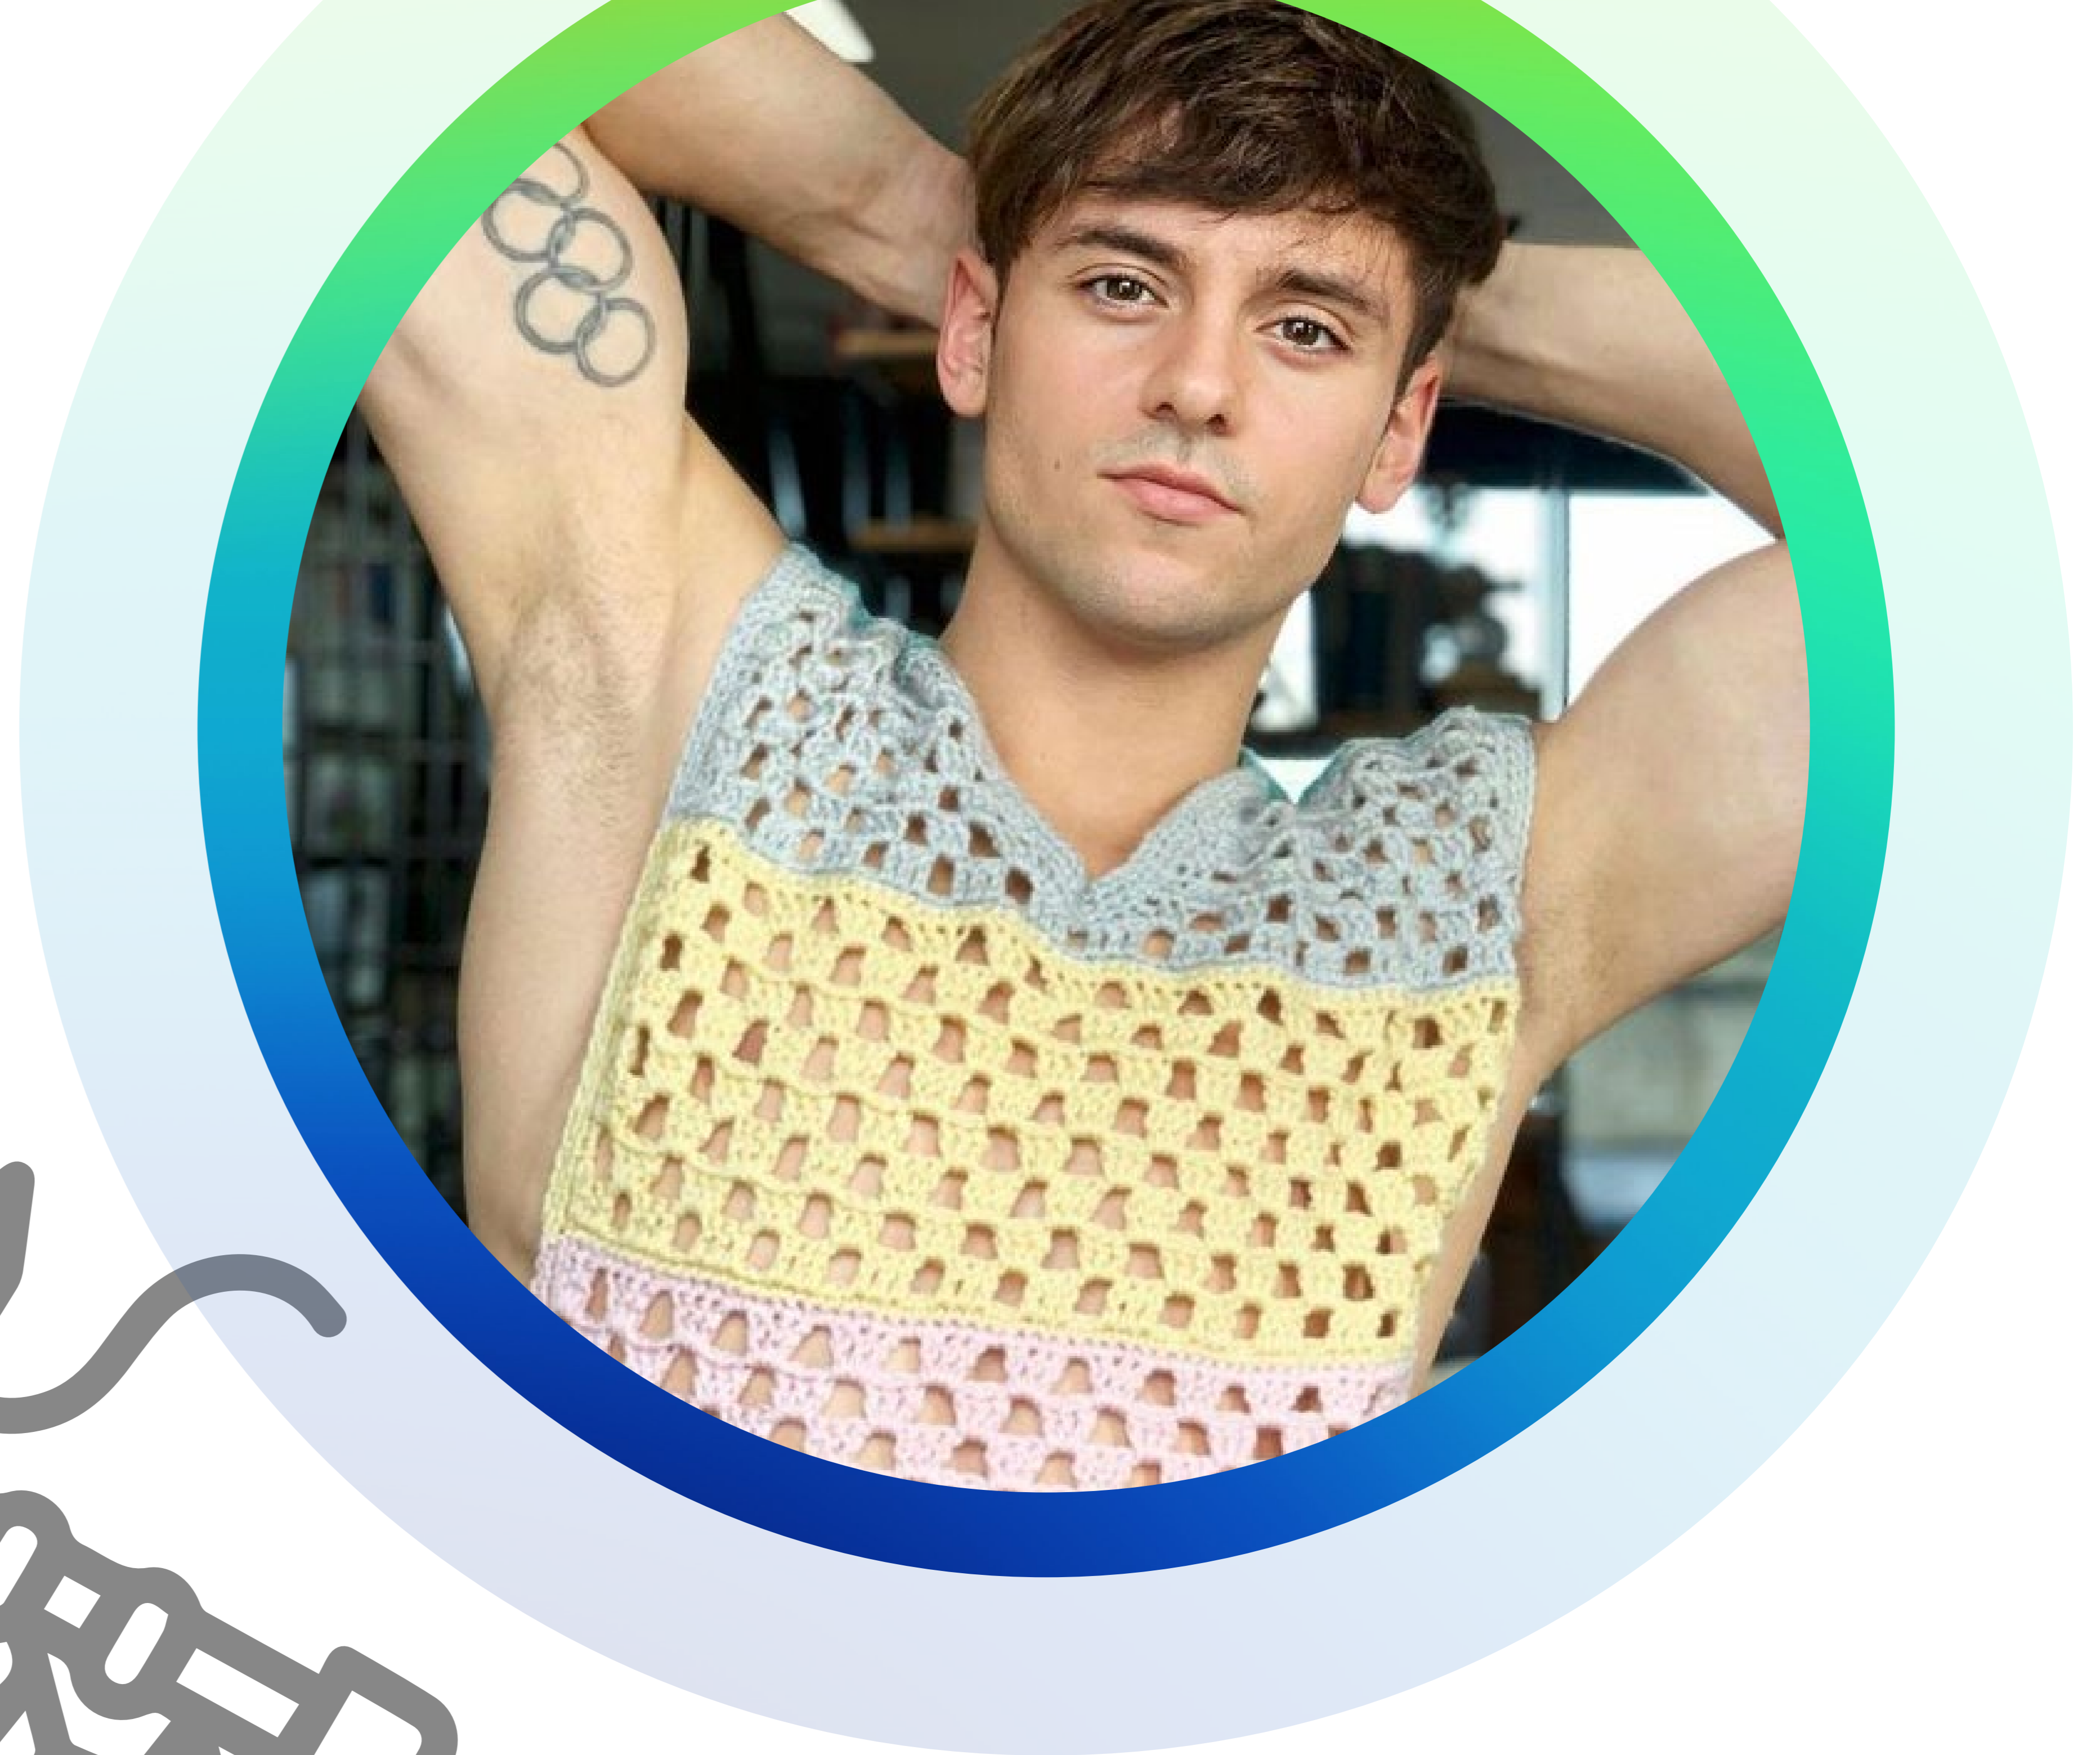

# KNITTING CLUB

**Week 1, Tuesday,  
after school in D305**

**Open to staff and students**

Any donations of knitting  
and/or crochet equipment  
gratefully received!

## Shouts out

This is the first time  
Anastasia used a wand  
to curl hair!

A big shout out to her  
results and that happy face  
– well done!

Ms Halloran

## Shouts out

A shout out to Cara in Year 12 for a perfect Dutch Plait!

It took all her patience but look at the result

Ms Halloran

## Shouts out

A shout out to Rabia  
for working hard on  
a block, great curls!

Ms Halloran

## Shouts out

Year 7 this year have studied The Call of the Wild, poetry, and non-fiction texts in English so far this year.

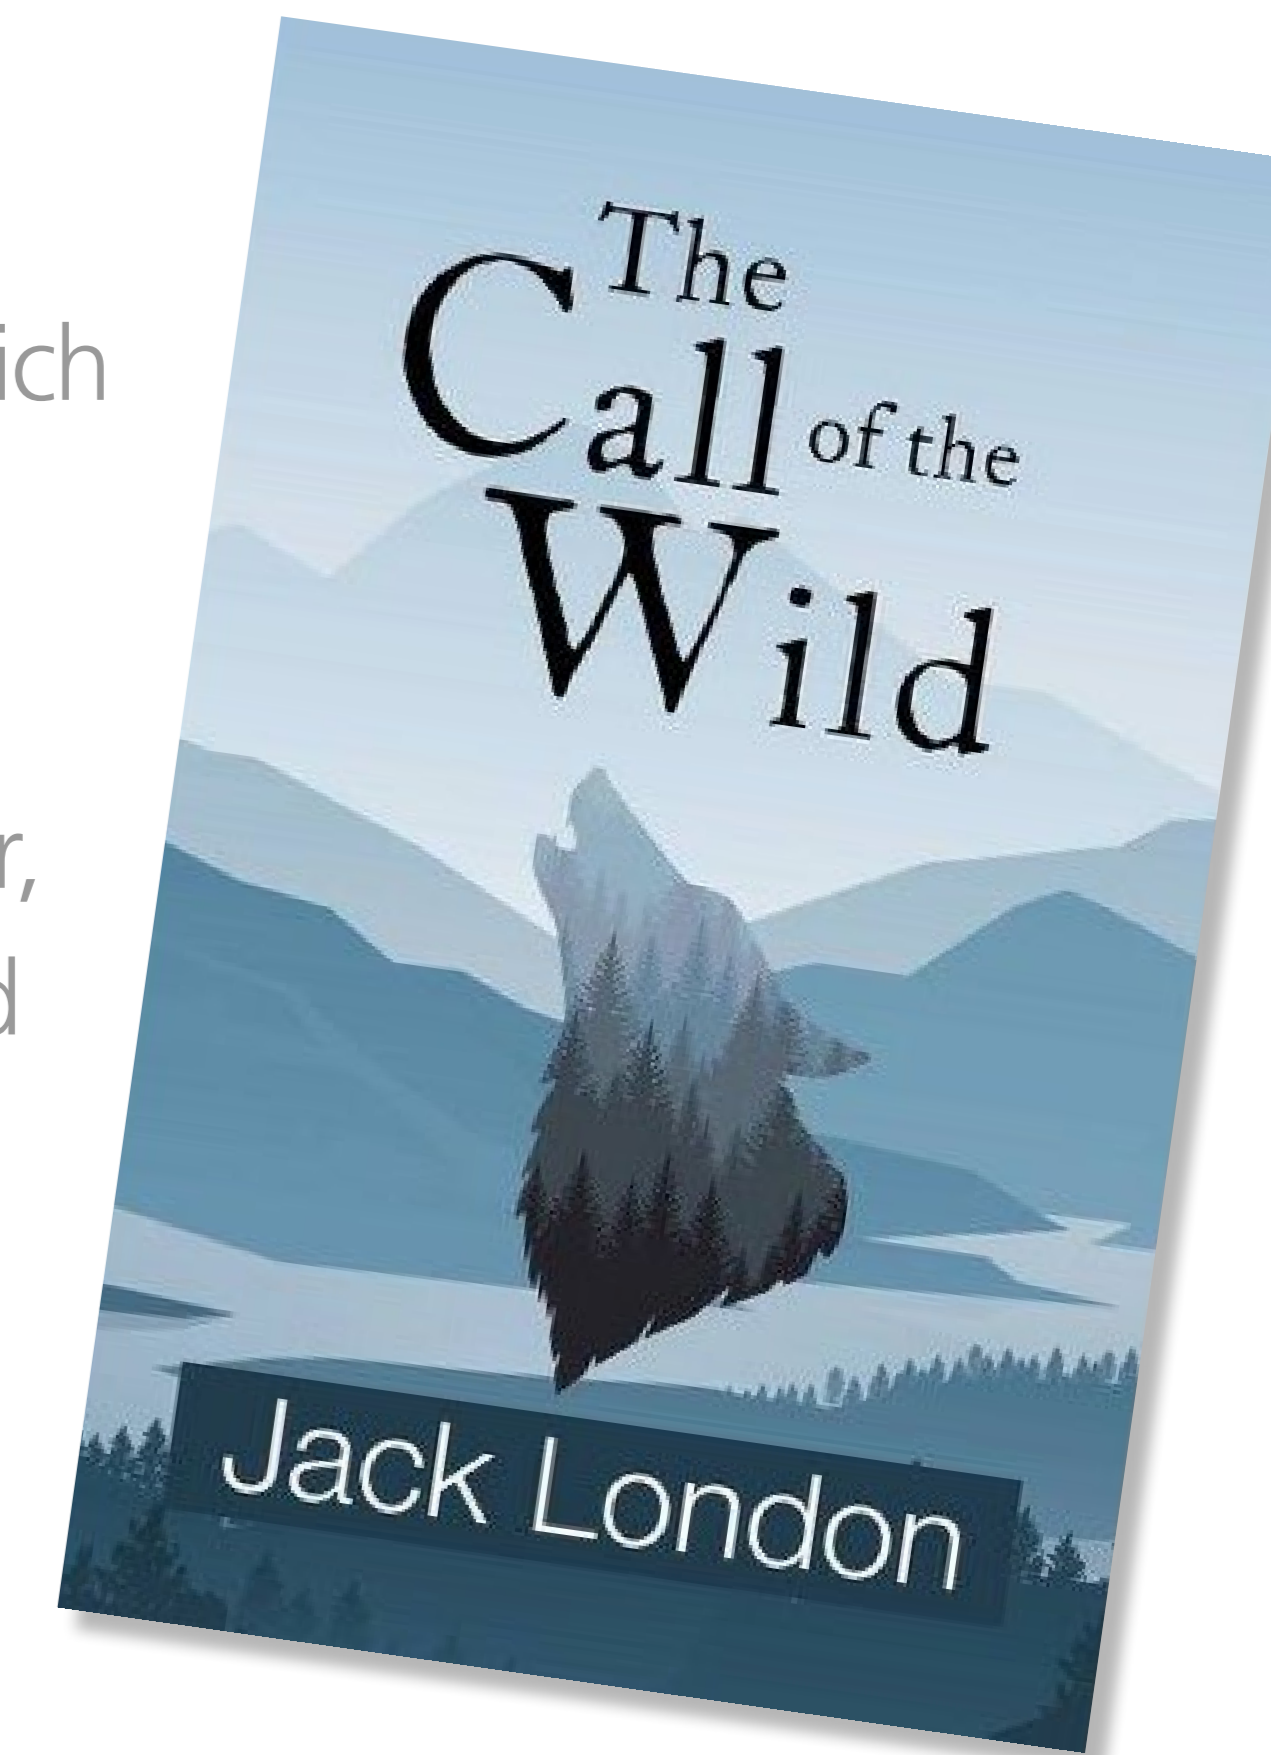

Miss Clay-Smith

# YEAR 7 COMMENTARY ON ENGLISH

Year 7 comments:

- Recently, we have been looking at pieces of non-fiction writing, for example: Emmeline Pankhurst's speech and Malala Yousafzai's speech.
- Through SENECA today, I reinforced my knowledge about nouns, pronouns, adjectives, verbs, adverbs, prepositions, and determiners.
- I have learnt about poems, especially sonnets. They have 14 lines, and every line has 10 syllables.
- This year I have learnt how to write a poem, for example: a sonnet.
- We have also learnt about the Call of the Wild, a novel by Jack London, which is about a dog called Buck and his adventures in the wild.
- In English, we have read a novel. After, we started to do poems and I enjoyed analysing sonnets.

## Shouts out

Girls PE – extra-curricular shout out.

Mrs Edwards

## Year 10 Netball

We could not be more proud of the Year 10 netball team who have shown commitment, resilience, determination, development and teamwork during this terms netball league. Every game they improved and they never gave up, no matter what challenges came their way. Their attitude, win or lose was of the highest quality and this was commentated on by teachers from other schools. They are a real credit to our Kings Academy Prospect community. "Well done girls!"

Molly Dudley, Ela Erceri, Xiomara Francis, Stevenya James-Roberts, Katie Lannon, Malaya Lees, Samiyah Said, Lavinia Stoica, Brooke Stubbs, Saina Lama, Amelia Day

## Year 8 & 9 Netball teams

Both year groups have been training hard in preparation for the start of their league after the February half term. They have worked really hard in improving their skill set as well as their ability to work as part of a team by turning up to every training session which demonstrates their commitment and dedication.

Good luck in the league ladies!

## Shouts out

In MFL we've been rewarding star pupils with hot chocolate at Café "Bravo" every Friday.

Bravo à tous!

Mrs Bosley
