Headteacher: Mr D Littlemore

Dear Parents/Carers,

Careers Evening - Thursday, 30 June 2022 - 5.30pm to 7.30pm

Lower School Hall Entrance via Honey End Lane

We wish to invite you to the annual Careers evening.

We have been highly successful in attracting a wide variety of professionals who are keen to support our students with their career's questions.

Students are motivated to try harder at school when they can see the point in their learning. For many, this means understanding the link between their hopes and dreams; and the qualifications and experiences they need from school to start that journey. So, it is vitally important that you help us to help them in attending and feeling that the process of making careers decisions is theirs to manage.

Also, as parents your influence in their learning and success is very important and it is important that you are given the opportunity to understand the many different career paths as well as all the qualification options.

Please confirm how many will attend.

Siobhan Gallivan
Careers Manager

CAREERS EVENING - Thursday, 30 June 2022 - 5.30pm to 7.30pm

Name: _____

Tutor group: _____
