

Uniform Policy

September 2022

We have carefully considered and analysed the impact of this policy on equality and the possible implications for students with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

At King's Academy Prospect, we believe the school uniform achieves three important goals:

- **It encourages a sense of community identity and pride.** By wearing the same badge and the same clothing, students are encouraged to think of the needs of the community as well as their own individual needs.
- **It encourages our students to develop habits for life.** By learning to polish their shoes, fold trousers or hang up their blazers, pupils learn the habits of discipline and personal responsibility that will stay with them for life.
- **It prevents unkindness or bullying while keeping costs down.** By requiring all our students to wear the same low-cost uniform, we reduce the incentive for students to ask parents for the latest (and most expensive) items of fashion. As a result, costs are kept as low as possible and no child can be seen to be poorer or wealthier than any other.

We understand that, for some families, finances are tight. We believe that, by doing all we can to keep items of fashion out of school, we help families to keep costs down. Nevertheless, if you do have an individual problem, or you are unsure about an item of clothing, please do not hesitate to contact your child's Head of Progress who will deal with your enquiry in the strictest confidence.

No extreme crops (minimum no. 2), shaved patterns/lines/partings or 'unnatural' colours are permitted. High fashion styles, often influenced by celebrities, especially for boys, are not allowed. For example, the difference in length between the top and the sides should not be in sharp contrast; styles need to be faded in very gradually.

Hair which is longer than shoulder length must be tied back using elastic hair bands. Hair bands or slides should be completely plain in navy blue or black. Bows, flowers, scrunchies or other adornments are not permitted.

Make Up Neutral, discreet make up is permitted from Year 9. Heavy make-up, nail polish and acrylic/gel nails are not permitted and will need to be removed before attending lessons.

Religious and/or cultural items

King's Academy Prospect prides itself on its diverse and inclusive community. Should your child wish to wear items/clothing of religious and/or cultural significance, we are happy to provide guidance on an individual basis.
