

King's Group Academies Privacy Notices Statement

Date adopted: by KGA Trustees

Date Reviewed: December 2023

Date of review: Annually

Whenever we collect personal data directly from data subjects, including for human resources or employment purposes, we will provide the data subject with all the information required by the UK GDPR. This includes the identity of the Data Protection Officer, the Trust's contact details, how and why we will use, process, disclose, protect and retain personal data. This information will be provided within our privacy notices.
