

Health & Social Care KS4

Mastery in Year 11

- Students will gain the skills and confidence necessary to deliver a creative activity to a group of younger students and they will use the communication skills learnt in year 10 to help with this part of the coursework.
- Students will be given time to complete their coursework under exam and supervised sessions after each topic area in the coursework unit has been covered. Students will develop the knowledge and understanding required to be successful in the exam

Mastery in Year 10

- Students will gain knowledge and understanding of the skills required to complete the coursework to a high standard utilizing the components of the exam unit.
- Students will be given time to complete their coursework under exam and supervised sessions after each topic area in the coursework unit has been covered.
