

ANTI-BULLYING STRATEGY

We have carefully considered and analysed the impact of this policy on equality and the possible implications for students with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

This Strategy is based on DfE guidance "Preventing and Tackling Bullying" July 2017 and supporting documents. It also takes into account the current DfE statutory guidance "Keeping Children Safe in Education". The school has read Childnet's "Cyberbullying: Understand, Prevent and Respond: Guidance for Schools".

By effectively preventing and tackling bullying, our schools can help to create safe, disciplined environment, where students are able to learn and fulfil their potential.

Our Community:

- Monitors and reviews our anti-bullying Strategy and practice on a regular basis.
- Supports staff to promote positive relationships, to help prevent bullying.

- Where the bullying takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with the school's Behaviour for Learning Policy.
- A clear and precise account of the incident will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying
