### 1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all students
- Promoting good attendance and the benefits of good attendance •

Reducing absence, including persistent and severe absence

- Ensuring every student has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure students have the support in place to attend school

We will also promote and support punctuality in attending lessons.

### 2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Student Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Student Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a student's attendance: guidance for schools](#)

### **3. Roles and responsibilities**

The governing board is responsible for:

- Setting high expectations of all school leaders, staff, students and parents ●
- Making sure school leaders fulfil expectations and statutory duties, including:
- Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
  - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific students, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
  - Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for students who need it most by prioritising staff and resources
  - Making sure the school has high aspirations for all students, but adapts processes and support to students' individual needs
  - Regularly reviewing and challenging attendance data and helping school leaders

focus improvement efforts on individual students or cohorts who need it most

- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting students needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
  - The importance of good attendance
  - That absence is almost always a symptom of wider issues
  - The school's legal requirements for keeping registers
  - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific students, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Sharing effective practice on attendance management and improvement across schools
- Holding the headteacher to account for the implementation of this policy

## **.2 The headteacher**

The headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors ●
- Supporting staff with monitoring the attendance of individual students ●
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary, and/or authorising the attendance officer to be able to do so
- Working with the parents of students with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for students with SEND, including where school transport is regularly being missed, and

where students with SEND face in-school barriers

- Communicating with the local authority when a student with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the student's needs
- Communicating the school's high expectations for attendance and punctuality regularly to students and parents through all available channels

### **3.3 The designated senior leader responsible for attendance**

The designated senior leader is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff

- Building close and productive relationships with parents to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with students and their parents/carers
- Delivering targeted intervention and support to students and families

The designated senior leader responsible for attendance is Mary Morris and can be contacted at [mmorris@kgaprospect.uk](mailto:mmorris@kgaprospect.uk)

### **3.4 The attendance officer**

The school attendance officer is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with education welfare officers to tackle persistent absence

- Advising the headteacher/attendance officer(authorised by the headteacher) when to issue fixed-penalty notices

The attendance officer is Kirsty Turner and can be contacted via [kturner@kgaprospect.uk](mailto:kturner@kgaprospect.uk)

### **3.5 Class teachers/form tutors**

Class teachers/form tutors are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information via ClassCharts

### **3.6 Attendance Officer**

The attendance officer will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system

### **3.7 Parents**

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day/timetabled session on time
- Call the school to report their child's absence before 8.25am on the day of the absence (and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting their child's Head of Progress

- **3.8 Students**

Students are expected to:

- Attend every timetabled session, on time

## **4. Recording attendance**

### **4.1 Attendance register**

We will keep an electronic attendance register, and place all students onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Student Registration) (England) Regulations 2024, whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not (for students of compulsory school age)
- The nature of the activity, where a student is attending an approved educational activity
- The nature of circumstances, where a student is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.30am and ends at 3.10pm

Students must arrive in school by 8.25am on each school day.

The register for the first session will be taken at 8.30am and will be kept open until 8.55am. The register for the second session will be taken at 12.40pm and will be kept open until 1.10pm.

#### **4.2 Unplanned absence**

The student's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.25am or as soon as practically possible, by calling the school absence line on 0118 959 0466, or via the ClassCharts app.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness, or the student's attendance figure is already below 95%, in which case medical evidence will be required to authorise the absence.

Where the absence is longer than 3 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

#### **4.3 Planned absence**

Attending a medical or dental appointment will be counted as authorised as long as the student's parent notifies the school in advance of the appointment, either via the absence line or through the ClassCharts app.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

The student's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

#### **4.4 Lateness and punctuality**

A student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code.

- Students who arrive after 8.30am will be required to sign in with the Headteacher via the lower school entrance on Honey End Lane. Students who arrive after 8.55am may be refused entry to the school, and recorded as an unauthorised absence.
- A Fixed Penalty Notice (see 5.2 below) may be issued in the case of persistent lateness.

#### **4.5 Following up unexplained absence**

Where any student we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the student's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the student's emergency contacts, the school may follow this up with other agencies (e.g. police) to ensure that the student is accounted for.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the student was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the student's youth offending team officer
- Where appropriate, offer support to the student and/or their parents to improve attendance
- Identify whether the student needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention.

#### **4.6 Reporting to parents**

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels. Parents are notified on a daily basis via the ClassCharts app and a summary will be provided through written reports three times a year

### **5. Authorised and unauthorised absence**

## 5.1 Approval for term-time absence

The headteacher will allow students to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a student during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the student is authorised to be absent for.

We define 'exceptional circumstances' on a case by case basis.

Leave of absence will not be granted for a student to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form, accessible via our website. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart

- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the student is attending educational provision
- If the student is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a student to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the student is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the student not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

## **5.2 Sanctions**

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

### **Penalty notices**

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that student

- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the student's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same student, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the student must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

### **Notices to improve**

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the student attends school.

They will include:

- Details of the student's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

## 6. Strategies for promoting attendance

Strategies will include:

- following any period of absence, students should be welcomed back to school, and where necessary, the Head of Year will carry out a reintegration interview; • students with full 100% attendance for a term will be entered into a prize draw at the end of term;
- each Tutor/Head of Progress to read and use weekly attendance analysis data for their tutor group/Progress;
- each Head of Progress will meet fortnightly with the Assistant Headteacher responsible for attendance to discuss attendance issues, which the Assistant Headteacher may refer to the Education Welfare Service;
- students where attendance is causing concern will be discussed with the Assistant Headteacher and Attendance Officer, who will advise on the most appropriate course of action.
- 

## 7. Supporting students who are absent or returning to school

### 7.1 Students absent due to complex barriers to attendance

Where appropriate, we will refer to outside agencies such as the EBSA (Emotionally Based School Avoidance) Service, CAMHS or Children's Social Care.

## **7.2 Students absent due to mental or physical ill health or SEND**

Where a student has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the student's needs, the school will inform the local authority.

## **7.3 Students returning to school after a lengthy or unavoidable period of absence**

All staff need to encourage continued attendance by providing a caring and welcoming learning environment and by responding promptly to a child's or parent's concerns about the school or other students. The Form Tutor is to welcome back the students and instigate reintegration with the form. Subject teachers are to make the necessary arrangements, e.g. have photocopied work available and ensure that only the essential tasks are demanded. The SENCo will work closely with the Head of Progress/Education Welfare Officer/parents for reintegration programmes for school refusers. The Head of Progress may wish to hold a reintegration interview with the student.

# **8. Attendance monitoring**

## **8.1 Monitoring attendance**

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual student, year group and cohort level.

Specific student information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

## **8.2 Analysing attendance**

The school will:

- Analyse attendance and absence data regularly to identify students, groups or cohorts that need additional support with their attendance, and
- Identify students whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence

- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### **8.3 Using data to improve attendance**

The school will

- Develop targeted actions to address patterns of absence (of all severities) of individual students, groups or cohorts that it has identified via data analysis
- Provide targeted support to the students it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)
- Provide regular attendance reports to form tutors to facilitate discussions with students and families, and to the governing board and school leaders (including special educational needs co-ordinator, designated safeguarding leads and student premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a student's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific students, where appropriate

### **8.4 Reducing persistent and severe absence**

Persistent absence is where a student misses 10% or more of school, and severe absence is where a student misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of students who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - o Discuss attendance and engagement at school

- o Listen, and understand barriers to attendance
- o Explain the help that is available
- o Explain the potential consequences of, and sanctions for, persistent and severe absence
- o Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these students. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

## 9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Deputy Headteacher. At every review, the policy will be approved by the full governing board.

## 10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
