

# History KS3

## Mastery in Year 9

- Confidently engage with sources and historian's interpretations and students should be able to form their own interpretations.
- Gain a greater understanding of how genocides and civil rights movements have shaped the world we live in today.
- Express how key historical concepts are linked to one another. Identify key historical concepts and themes.
- Engage with extra-curricular opportunities, such as the Debate Club, to prepare effectively for GCSE.

## Mastery in Year 8

- Gain an understanding of how exploration and colonisation developed throughout the early modern period and began to collapse in the 20th Century.
- Explain how Britain became more industrialised and how this impacted society and the way it was governed.
- Understand how a more globalised world caused conflict and how more radical politics developed as a result of them.
- Engage with the ideas of cause and consequence and form opinions surrounding them.

## Mastery in Year 7

- Gain an understanding of what history is and how a historian works.
- Explain how governments and societies were different to others, and our own, in Medieval and the early modern world.
- Engage with sources and artefacts to see how a historian gains an insight into the past.
